KMUTT-IRB Approval Process

King Mongkut's University of Technology Thonburi

1 Fill out the application form

Prepare the documents for your ethics review request.
https://kmutt.me/IRB-preparation-doc-EN

2 Document Submission

- The coordinator of IRB Subcommittee of the Faculty/ Office/ Institution. https://kmutt.me/IRB-Submission-via-Email
- In cases where the Faculty/ Office/ Institution does not have IRB subcommittee, please submit directly to irb@kmutt.ac.th

3 Initial review and Document check

- Your IRB Subcommittee does a first review of the project.
- IRB staff check the completeness of the documents.
  - Incomplete documents will be returned for revision and/or submission of additional documents.
  - Complete documents will be assigned a project proposal number and submitted for review.

4 Review for approval

- Exemption/Expedited Review: The review process takes approximately 2 weeks to 1 month, starting from the date the project proposal number is assigned by the IRB staff.
- Full board review: follows the committee's meeting schedule, which is every 2 months.
- Check status : https://kmutt.me/IRB-check-status

5 After approval (follow-up)

- Research Progress Report and IRB Approval Extension Request
- Research Project Closure
- Protocol Amendment
